A walking relay along the South Shore of Long Island beginning in East Islip and ending in Montauk

## What is Real-Aid?

It's a walking relay that begins in East Islip and ends at the Montauk Lighthouse. Our walk goes along the south shore and people are welcome to start walking with us from any stop and continue for whatever distance you choose. The purpose of our walk is to create Autism Awareness along Montauk Highway! Proceeds support programs on Long Island that work with children diagnosed with Autism.

# Why do it?

It's a terrific event that is **HIGHLY VISIBLE!** Every time a car drives past, it creates awareness! Real-Aid is 83 miles long (but you only walk a portion of it / you choose how long)! **AND create a team of 20 people and get an IPAD\*!** 

### What Is EJ Autism Foundation?

We are a local grassroots 501c 3 charity that supports programs on Long Island that work with children diagnosed with Autism. We take care of these kids NOW. All donations are tax deductible to the fullest extent of the law. We are eligible for matching funds.
